

POLLOCK DEMO EQUIPMENT INVENTORY

	<p>RADIANCE HIGH SPEED BURNISHER \$899</p> <p>Best value in the industry. Flexible pad driver included. This burnisher has a high cleaning productivity rate and is backed by the most extensive, hassle-free warranty in the business.</p> <p>FEATURES:</p> <ul style="list-style-type: none"> • Easy to use fingertip controls • Large transport wheels • Minimal training required • Handle-mounted circuit breaker • Safety lock-out switch
	<p>POWRFLITE 2000 BURNISHER \$798</p> <p>PowrFlite's 2,000 RPM Millennium Edition Burnisher features a patented housing design, combined with precision balanced weight distribution for maximum efficiency. This eliminates the need for a compensating caster, providing complete pad-to-floor contact – unlike conventional burnishers. High RPM and full pad-to-floor contact provides that high gloss “wet look” shine.</p> <p>FEATURES:</p> <ul style="list-style-type: none"> • 2,000 RPM burnishers provide the best results on all types of floor finishes • Included, 20” flexible pad driver allows full pad-to-floor contact (no compensating caster) • Thumb activated safety interlock switch prevents accidental startups • Full surround non-marking bumpers help prevent damage to walls and furniture • Each machine is assembled and tested by skilled American workers
	<p>ORECK ORBITER FLOOR CLEANER \$311</p> <p>The Oreck Orbiter makes it simple to sand, refinish, strip, scrub, wax and polish all floor surfaces, as well as deep clean your carpets. Conventional floor scrubbers can be difficult to use. The Oreck Orbiter works differently; the brush head rotates in a random orbit for easy-to-use fingertip control. With several different cleaning pads available for purchase along with superior cleaning supplies, it's versatile enough to tackle virtually any job, on any floor surface and gives you amazing, professional-looking results every time.</p> <p>FEATURES:</p> <ul style="list-style-type: none"> • Remove grout stains on tile floors • Bring back the luster in hardwood floors • Remove oil and grease from concrete and asphalt • Restore marble floors, bringing them back a shine
	<p>TORNADO BR 16/3 FLOOR SCRUBBER \$2,285</p> <p>The BR 16/3 puts the power of automatic scrubbing in a compact package ready for virtually any hard floor surface. This corded electric unit operates in forward and reverse with a 16” scrubbing path at 1,100 RPMs. Cleaning approximately 4,300 square feet per hour, your small and congested spaces are clean, dry, healthy and ready for use in no time.</p> <p>FEATURES:</p> <ul style="list-style-type: none"> • Removable two-chamber tank system • Adjustable brush pressure • Cylindrical brushes spin at 660 RPMs • Large, removable transport wheels • Both the solution and recovery tank are removable for quick and easy disposal of solution
	<p>AZTEC SIDEWINDER FLOOR STRIPPER \$5,453</p> <p>The Aztec Sidewinder was designed for deep scrubbing and/or fast stripping of hard surface floors in preparation for top coat or restoring of tile, terrazzo or close-fitted tile.</p> <p>FEATURES:</p> <ul style="list-style-type: none"> • Modes available in 24” (61cm) and 30” (76cm) • Rugged, all steel construction • Planetary brush drive eliminates strip shadows and side torque • Unique floating head design allows brushes to address irregular surfaces • Brush RPM speed combined with up to 288lbs of head pressure delivers fast, deep stripping or scrubbing • Standard centrifugal clutch substantially increases belt life
