

POLLOCK SERVICE

PROFESSIONAL • KNOWLEDGEABLE • DEPENDABLE

When you need equipment repair, installation or training, trust the professional technicians at Pollock. Whether you need a small maintenance adjustment to improve performance or have a larger equipment project, we're just a quick call away.

When you contact one of our knowledgeable service representatives, we'll discuss your equipment needs and schedule one of our experienced technicians to arrive at a time that's convenient for you - on time and ready to start the job.

Pollock also offers preventative maintenance on equipment to ensure that you get the most out of it. Our dedicated technicians love to make SOLVED happen! That's why customers throughout the state of Texas choose Pollock for quality, trusted equipment services.
